MESSAGE

IIF PRESIDENT'S MESSAGE

Dear Fellow Foundrymen

It is indeed a matter of great pleasure and honour to invite you to the annual flagship event of the IIF - the **69th** INDIAN FOUNDRY CONGRESS – IFC & **17th** INTERNATIONAL FOUNDRY EXHIBITION - IFEX 2021 to be held virtually in the first week of September considering the safety of all during the Pandemic time.

IFC & IFEX have increased in momentum across the years gaining from strength to strength so as to become one of the biggest events for the Foundry industry not only in India but across the Asian belt and an international brand name that is recognised by the world over.

It is in the East- the land of the rising sun – where India's industrial revolution began. It is also in Kolkata-the City of Joy where IIF was given birth 70 years ago, by a band of enthusiastic Foundrymen who were keen to upgrade Foundry practices. Now it is again the Eastern Region doing **69th** IFC and IFEX 2021 for the first time on Virtual platform.

Foundry industry in Eastern India is going through sea change with coming up of many greenfield projects and setting up of state of the art Foundries taking advantage of proximity to India's mineral wealth reserves, abundant supply of power and water, availability of skilled manpower and excellent network of roads, railways and ports to facilitate marketing and exports. With the resurgence of the Foundry industry in the East, the industrial heart of Bengal is beating faster. Howrah is all set to regain its former glory of 'Sheffield of India.' New Foundries in Asansol-Raniganj-Durgapur area and those being set up at Foundry Park at Ranihati under FCDA are also some of the hallmarks.

Do join us at the virtual business event and see the transformation of your business into New Horizons.

With Warm Regards
Vijay S Beriwal
President IIF
2020-21

CHAIRMAN EASTERN REGION MESSAGE

Dear Foundrymen & Friends!!

It gives me immense pleasure in inviting you all, the Foundry fraternity along with your spouse and colleagues to the **69th** Indian Foundry Congress and International Foundry Exhibition-2021.

IIF Eastern Region as the Host Region is organizing this Mega Event of the **69th** Indian Foundry Industry for the first time on the virtual platform and I am sure it shall be a great learning experience for all of us.

Almost all metal casting producers and manufacturers of fabricated metal products have gone through a very tough period since 2020 and now with the economy opening up, there are ample opportunities that are coming up and it is time for the manufacturers, technocrats, academia and students to come together and network to formulate ideas to strengthen business in future.

The **69** IFC / IFEX organising committee along with the various sub committees and all the members of Eastern Region are putting their best efforts to ensure that the Congress is of world class quality.

On behalf of our country and IIF Eastern Region, we are also ready to welcome you on the Virtual platform.

During this gala virtual event, we assure our best of services and to provide you all solutions towards Foundry including product support, technology integration and supply of raw materials, chemicals and allied services.

Looking forward to welcoming you.

Prof. (Dr.) Goutam Sutradhar
Chairman-IIF Eastern Region

CHAIRMAN & CO-CHAIRMAN MESSAGE

Dear Foundrymen & Friends!!

Welcome to the Virtual World the gateway to the future!

When we had decided on the theme **“TRANSFORMING FOUNDRIES: NEW HORIZONES”** little did we know that the significance of the theme would take an all together a different dimension. The Pandemic, resulting in the lock downs, severally affected the movements of people, cargo, and there by the economy. Physical meetings came to a stop and the virtual platform gained ground and the event which we had planned meticulously to be held at state of art Biswa Bangla Convention Centre along with unique concept of table top exhibition had to be called off in lieu of the Health and Safety of foundrymen and the visitors.

Now we, the Organizing Committee Team of the **69th IFC** and The Institute of Indian Foundrymen - Eastern Region, welcome you to the New Horizon - the Virtual 69th Indian Foundry Congress and **17th IFEX** with a sense of great joy and happiness. In these trying times, when almost all major events were cancelled or postponed, we have undertaken the challenge of the virtual platform to bring to you a boutique event to showcase the Global Foundry scenario with Indian perspective and to reveal the New Horizon that beckons us to think differently. Some of the things that you can expect:

- # Showcasing of Castings to the Buyers from India and the World
- # Presentation of New Technologies & Processes
- # Focus on Automation & E-Mobility
- # Meeting Customers of Castings, Foundry Equipment & Supplies
- # Networking with the fraternity under the safety umbrella

We have hired the services of very renowned technical platform provider who shall ensure seem less flow of the programme where in we shall have experts speaking on the current topics and technology needs besides the panel discussions and product promotion.

The Exhibition shall also very unique features to promote the product, services/the company and being virtual shall reach out to the customers all over the world.

The time to rekindle your business and take the Foundry industry to greater heights is NOW.

Anil Vaswani
Chairman

Ravi Sehgal
Co-Chairman

69TH IFC & IFEX HIGHLIGHTS

IFEX 2021

The Virtual Exhibition would feature 100+ Exhibitors showcasing the latest technological developments in the Foundry and allied industries - Cast Components, Foundry Equipment, Sourcing Materials, Logistics, Simulation Software among others.

CAST INDIA EXPO

Building brand INDIA as a global sourcing destination for Castings

Cast India Expo is being organized concurrent to 69th IFC & IFEX 2021 with exhibitors from across the country displaying their latest and innovative castings. This is an excellent platform for the Foundries across India to showcase their capacities and capabilities which is witnessed by leading casting buyers from India and abroad. The presence of these casting manufacturers as exhibitors in the same venue will provide a ready customer base for Indian and International Suppliers of Equipment, Machinery, Technology and Process.

MSME SESSION

The MSME sector have emerged as highly vibrant and dynamic, contributing to the growth and development of the Indian economy & society. With the ministry recently revising the definition of MSMEs, most Foundries in India are now within the purview of MSME sector. MSME session would emphasize on dissemination of technology, marketing possibilities and funding options under various schemes for Foundries and bring together casting manufacturers, OEMs and Govt. officials on a common platform.

B2B MEETINGS

B2B-meetings are pre-arranged appointments to get buyers and exhibitors to meet each other. They provide ideal opportunity for small and medium-sized businesses, to build connections and to find new clients. B2B meetings organized in 69th IFC would provide a dedicated platform where Casting Manufacturers get to meet Casting Buyers on a one to one basis to enhance business opportunities for mutual benefit.

TECH MART

Techmart serves as meeting venue and market outlet to facilitate the technology commercialization, business partnership and cooperative ventures for the Foundry industry and allied technologies. The Technical Symposium would provide avenues to Indian and international casting manufacturers to showcase their products and services to the dynamic and vibrant Indian market.

ALUMINIUM CONCLAVE

The story of the light metal which can be recycled without losing its unique properties. Eminent Speakers, Technologists, Industry Leaders, Equipment Suppliers & Service Providers to give their insights and share their knowledge and experience on recent applications, productivity improvements and increased demand from automotive industry.

69TH IFC & IFEX HIGHLIGHTS

YOUNG ENGINEERS FORUM

The Young Engineers Forum aims to demonstrate Foundry as a viable career option for next generation of engineers and technocrats. The forum would enable them to have a feel of the latest developments and smart applications in Foundries and allied technologies & processes. This event will also be a unique opportunity for young engineers to connect with each other apart from gaining a first-hand knowledge about the Foundry industry.

BUSINESS/MANAGEMENT SYMPOSIUM

The aim of the symposium is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and interact with eminent Management Experts & Business Consultants who would share their knowledge on modern management concepts and how it can be applied to resolve issues of significance faced by the Foundry industry.

DUCTILE IRON SYMPOSIUM

A dedicated session on Ductile Iron featuring imminent personalities from the industry. Ductile Iron offers a unique combination of a wide range of features-high strength, wear resistance, fatigue resistance, toughness and ductility in addition to castability, machinability, damping properties and economy of production. The session would focus on newest uses and applications along with opportunities for Foundrymen.

DEBATE SESSIONS ON POLICY MATTERS

A lively discussion on various policy matters of common interest to the Foundry fraternity including Govt. Rules & Regulations, need for advocacy and recent issues like Power Tariff, Sand Reclamation, Harmonics & Scrappage Policy faced by the Foundry industry.

VIRTUAL SESSIONS WITH INTERNATIONAL SPEAKERS

Virtual sessions on digital platform with International Speakers of repute who would share their knowledge base and technical expertise on recent developments and cutting-edge technologies for the Foundry industry.

PROGRAM: 69TH IFC AND IFEX 2021

DAY 1 THURSDAY 2 ND SEPT 2021	IFC IFEX 2021	TIME (HRS)	ACTIVITY	LOCATION
		10.00 am - 11.30 am	IFC & IFEX Inauguration	Conference Hall
		11:30 am till Rest of the Day	IFEX Exhibition	Exhibition Hall
		11.30 am - 05.00 pm	Buyer Seller Meet	B2B Hall
		03.00 pm - 04.00 pm	Tech Mart 1	Tech Mart Hall
		04.00 pm - 05.15 pm	Plenary Session 1	Conference Hall

TECH MART SPONSOR

TECHMART serves as meeting venue and market outlet to facilitate the technology commercialization, business partnership and cooperative ventures for the Foundry Industry and allied technologies. This Technical Symposium would provide avenues to Indian and International Manufacturers to showcase their products and services to the dynamic and vibrant Indian Foundries.

We are sure **TECHMART** will provide your company with an ideal platform to launch and promote your Products, Machinery, Equipment and Efficiency, Energy Savings, Process, Product Development, Innovations, Automation, Digitization, Info Management and Environmental Sustainability. The Greenfield foundries and expansion mode in existing nearly 300 foundries open the opportunity to grab your share of pie from the nearly 2500 crores of estimated investment.

We look forward to your active participation and taking full benefit of Tech Mart platform in the 69th IFC. For Further details, refer to the enclosed TECHMART 2021 Booking Form.
